Friendship is a concept that we learned when we were young children. As we grew, we picked and chose the people we thought were "cool" enough for us and we called them friends. As we entered high school, we formed our groups. The groups changed over the years and so did we. As old friends left, new ones took their place. And now, in our senior year, we realize that it doesn't matter who wears what, who has what color hair, who drives what car or who is "cool". We realize that we are all friends. We finally discover that we are all connected. For the 2007 yearbook, we select the theme of "friendship". Through our twelve years of school, and for the rest of our lives, friendships will continue to be around us. So the yearbook of 2007 is dedicated to all of our friendships - past, present and future.

As we, the class of 2007 look back on our high school career, we recognize countless teachers and administrators that have helped us come to this point. Each year the graduating class dedicates the yearbook to one special faculty member who stands above the rest. Mr. McMahon has guided us through this exciting, stressful, and sometimes chaotic chapter in our education - high school. Mr. McMahon has continuously pushed us to question our surroundings and we thank him for it. He has expanded our outlook on the world. Whether it was teaching us about advertising in media class or challenging us to chess games (that we would rarely win), Mr. McMahon consistently goes above and beyond his requirements as a teacher. He reaches out to students in and out of the classroom. His progressive approach to education appeals to students across the spectrum. We will always remember Mr. McMahon as a friend, mentor and role model.

Mrs. Jones called each grade down saving the seniors for last. "This is really it," they said as they gathered in the hallway. The seniors made a grand entrance into the gymnasium where they were greeted by the cheers of underclassmen, football players, and dancers. The pep rally was a lively ensemble, including an outstanding routine from the dance team, speeches from each of the fall sports and some amusing teacher vs. student contests. The cheerleaders had everyone wild with excitement. The seniors bombarded each other and their teachers with confetti and silly string. The classes cheered as Couch Gaucher got tackled by the football team. The 2006 Pep Rally was a rousing success, marking another milestone for the seniors, moving them one step closer to graduation.

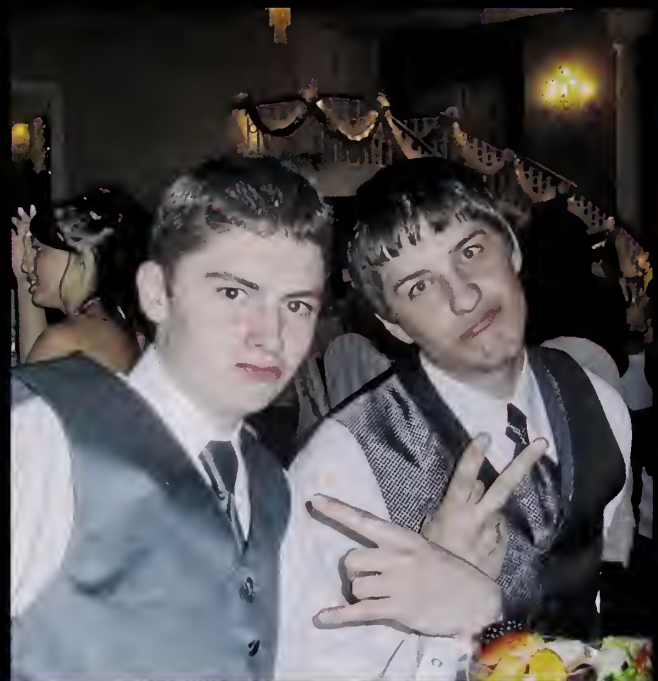

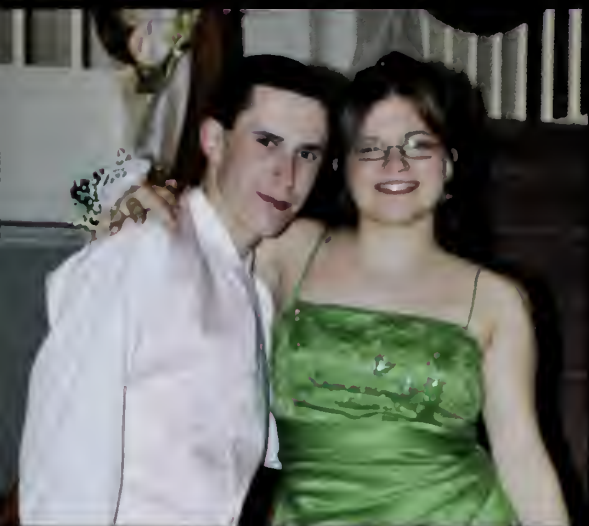

Pep Rally '06

An Enchanted Evening

March 31, 2006 was a day that the junior class will never forget. Everyone handed in notes to get out of school early. Girls rushed to their hairdressers to get the style that they have been dreaming of for months. The guys ran around making sure their ties were just right and their jackets fit perfectly. Friends met and pictures were taken. The next thing we knew, the limos and fancy cars arrived to whisk us away. The theme rang true for all; "An Enchanted Evening". For the first time in our lives, everyone looked like pure royalty. Girls and guys alike were amazed with the beauty of the crowd. The night started off amazing. When they opened up the doors, everyone was in awe. We looked at each other and could not believe it was our junior prom. Flashes of cameras blinded us, but it was okay because the pictures froze that night forever. Girls lined the staircases to take picture with all of their best friends, and the guys ran to the dance floor as Sandstorm by Darude pounded out of the speakers. Music from Chris Brown and D4L had the whole junior class ecstatic. Our prom song was "I Had the Time of My Life" from the movie Dirty Dancing. The night went on and we celebrated, knowing that we would be graduating soon and this was the time to make memories. Junior prom was definitely our enchanted evening.

FIELD HIGH S

The homecoming parade was another chance for EHS students to show off their school spirit. The seniors watched as the underclassmen put finishing touches on their floats and reminisced about how time has gone by in a flash. The underclassmen laughed as they got attacked with silly string by the seniors who kept chanting "S E, S E N, S E N I O R S! Go seniors!" For the second year in a row, the Class of 2007 won the first place award for best float. The freshmen won the award for most school spirit. It was a beautiful day to celebrate. The cars rolled down the parade route with their windows down and sun roofs open, honking their horns to the students' cheers. The fun parade kicked off a winning day with a homecoming victory for the EHS Varsity Football Team.

Business and Technology Departments

Ashley Grady working hard in Ms. Jones class!

The Enfield High School Business Department helps students to get ready for the future. This department has been growing strong within the last couple of years. More and more students are wanting to take business courses to help develop an awareness of business careers, learn and practice decision-making and leadership skills, and acquire knowledge for managing their own business one day. There are many classes students can select, including Personal Finance, Accounting 1 and 2, Business Concepts and Careers, and many others.

The Technology Department at Enfield High School, offers students an opportunity to learn hands-on technical skills. In wood tech, students are able to create many different products from a night stand to a book shelf. In drafting, tech students are able to use a Computer Aided Drafting (CAD) machine to make 2 or 3 dimensional drawings of houses, or cars. Some of the other classes offered are Graphic Arts, Automotive Mechanics 1 and 2, and Robotics Technology. This department is exciting, and challenging and many students choose to take part.

P.E. & Family Living Departments

Cleaning up from baking cookies.

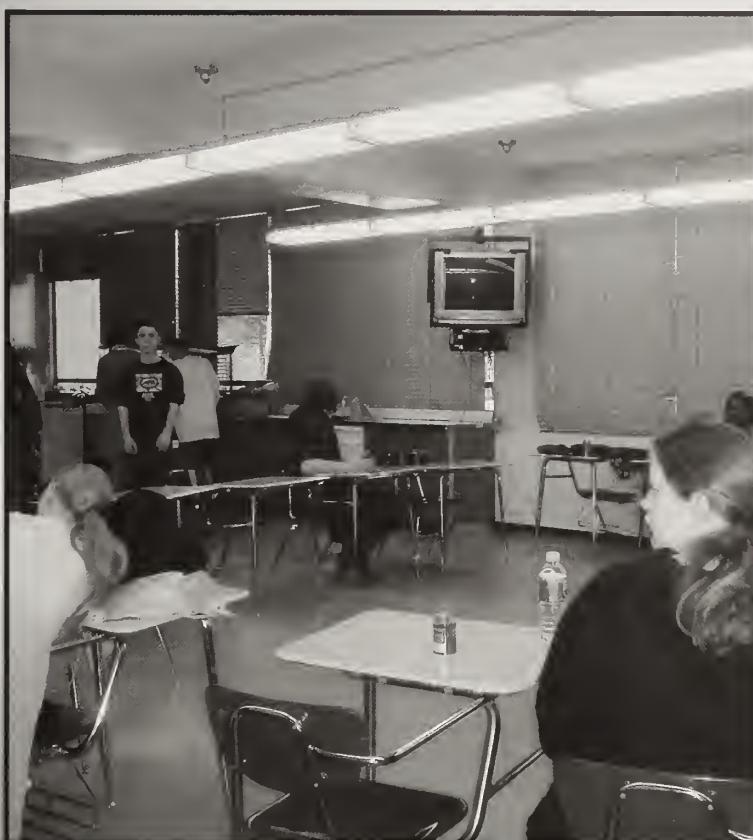

Mary Chenard is getting ready for a shot.

Seton Gagne is eager to learn something new!

Kevin Dynia chasing after the basketball.

Students are doing a project in Independent Living.

The Physical Education Department teaches concepts and skills that are necessary in life. There are many important topics that P.E. and Health teachers cover such as personal health, disease prevention, first aid, and nutrition. Gym teachers also help students develop strength and agility through activities including golf, soccer, tennis, badminton, ultimate frisbee, and, a favorite, Matball. Students love to actively participate in all of the sports and they have a great time playing with their friends.

The Family Living Department here at Enfield High School has two energetic, smart, and caring teachers. Ms. Jurgens juggles teaching students how to manage their budget and save money in Independent Living with how to pick different colors and furniture for the living room in Interior Design. Ms. Fitzgerald educates students on teaching young children in the Child Development Lab. The students here have a good time while, at the same time, learning a great deal that will help them now and in the future.

English Department

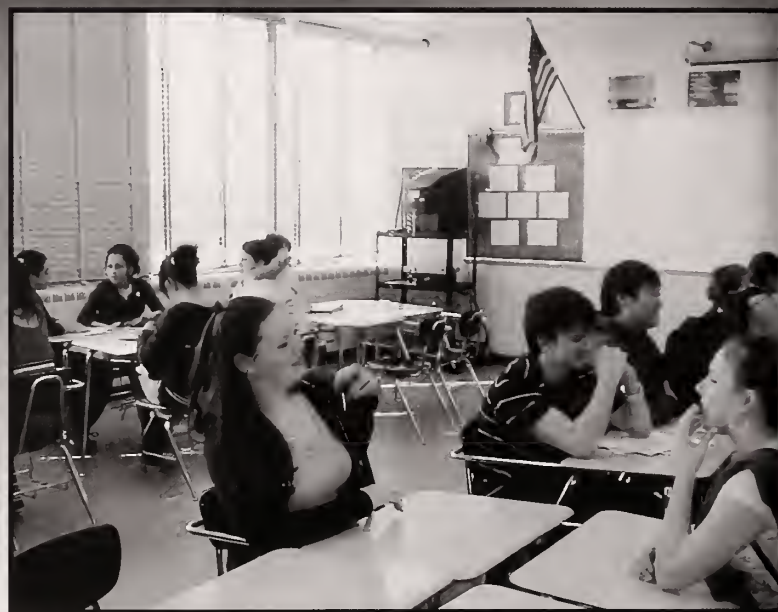

Ms. Boggio teaching her students.

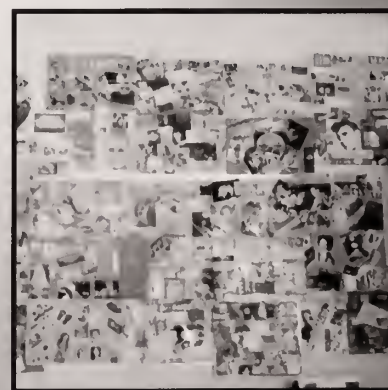

This year, like always, the Enfield High School English Department is full of many teachers who are fun, energetic, and good at what they do. Whether it is reading *The Adventures of Huckleberry Finn* in American Authors, making Me and My Media posters for Writing in the Media, or reading *To Kill a Mockingbird* or *Romeo and Juliet*, the teachers have fun with their students. Though these novels, books, posters, or vocabulary lessons, the students learn a lot and have a greater appreciation for both the language and the teachers.

Mrs. Bouchard is working hard to prepare for her next class.

Students are participating in a group discussion.

'Me and My Media' posters made by students in Mr. McMahon's Writing and the Media class.

Social Studies Department

Christina Spellman working hard on some history work.

Miss. Darin is teaching her class.

Mr. Stasio making lesson plans for his World History class.

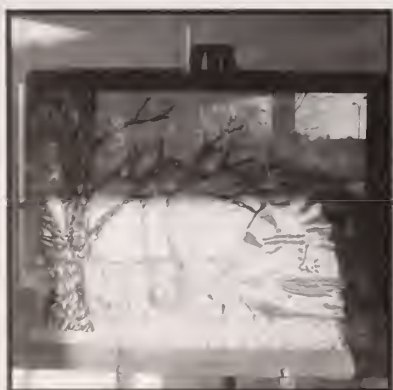

The Enfield High School Social Studies Department has a wide variety of classes to offer to students. Whether you take Mr. Wanzer's or Mr. Gorborino's Civics class to learn about the law, Mr. Crane's U.S. History to learn about our nation's past, Mr. DeFilipi's and Mr. Stasio's World History class to learn about the world since the dawn of civilization, Miss Darin's Modern World History to learn about current world issues, or Ms. Anyzeski's Psychology class to learn about the human mind, you will definitely learn a great deal about social studies no matter which teacher you have. In addition, the beautiful photographs taken by Doc Taylor are reason enough to take a trip to the Social Studies Department.

Art Department

Carole Griffin and Melanie Guillerault

At Enfield High School, the Art Department offers a variety of classes in which students can show their artistic side. With many classes like ceramics, drawing, visual art skills, and portfolio preparation, the Art Department helps students to express their feelings, thoughts, and ideas, through art.

Music Department

The Jazz Band practicing.

Bobby Bearce and Jeremy Lance practicing their saxophones.

The music room

There are many different ways to express oneself. Here at Enfield High School, the Music Department offers a myriad of ways to do this. Playing violin in the string orchestra, performing school concerts in Jazz Ensemble, playing in the Marching Band at the Enfield Raiders football games, singing in the chorus, or learning how to play the piano in piano class are just some of the options offered by the Music Department.

Math Department

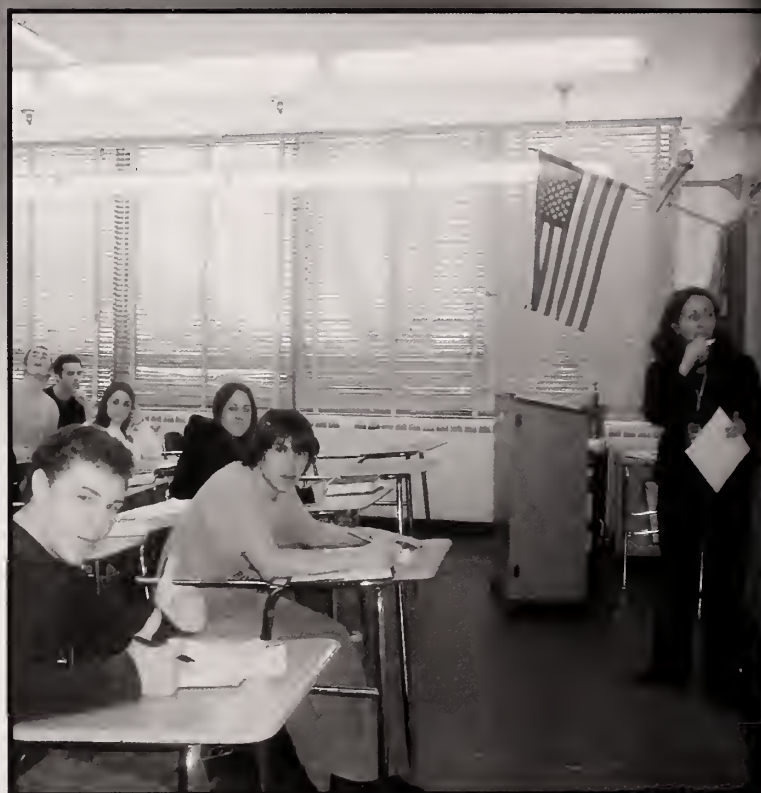

Having fun in calculus class.

Every graduate quickly learns how important mathematical ability is in their daily lives. The teachers of the Math Department at Enfield High strive to make it possible for their students get the math skills necessary for a great future. Enfield High offers classes, like SAT Math, where you learn several strategies for solving problems. Computer Programming teaches students how to do file operations, sorting, and matrices, on the computer. Algebra 1 covers different topics like square roots, radicals, polynomials, and rational expressions. And that's just the beginning. The Math Department offers many more classes to help students develop a knack for numbers!

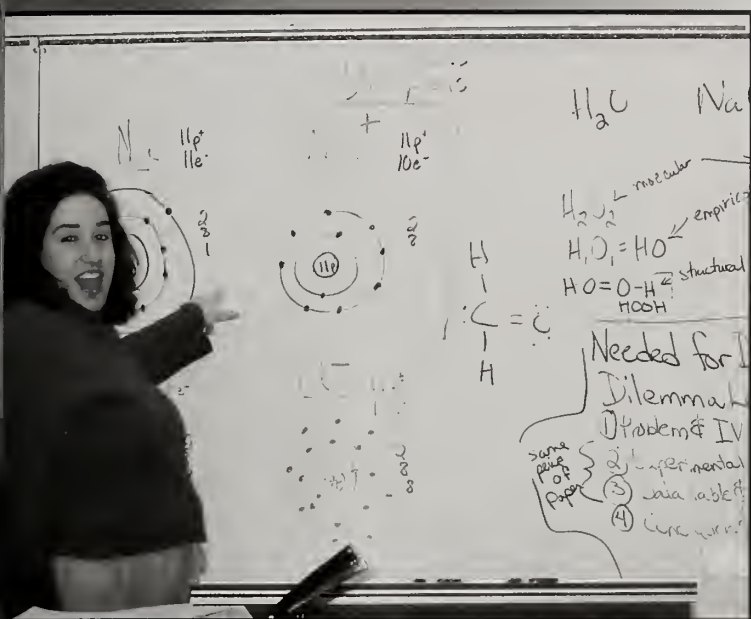

Mr. Chandler teaching his students.

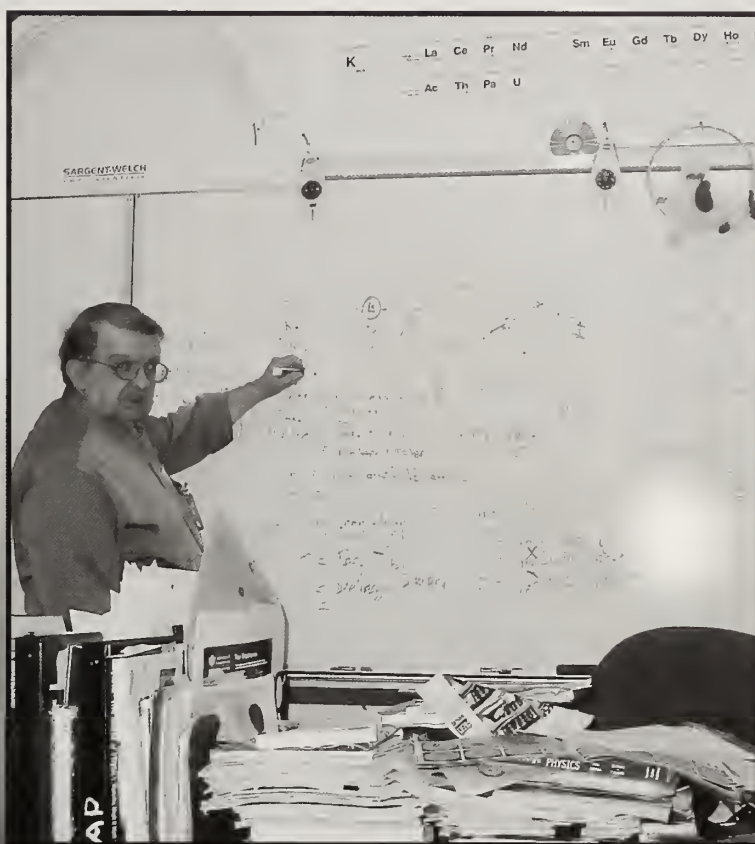

Mrs. Holmberg teaching her math class.

Science Department

Ms. Barnard teaching her chemistry class about Octet Rule.

Mr. Smith is teaching his physics class.

Mr. Smith's Physics classes did a Rube Goldberg project.

The Science Department wants students to be able to stretch their minds, in order to do labs, group projects and individual work. The Science Department offers an array of classes like Earth Science, the study of our planet and its surroundings, Biology, the study of cell structure and reproduction, Chemistry, a hands-on course of labs and demonstrations, and Anatomy and Physiology, the study of the structure and function of the human body on different levels. All of these classes are very interesting and are great for people who would like to explore a career in the science field.

World Language Department

Ms. Kell teaching her Latin class.

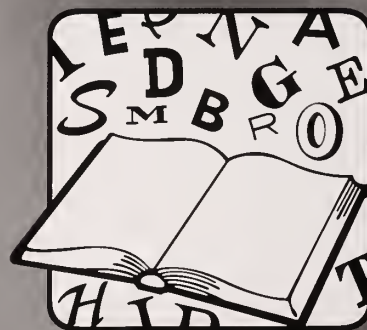

Mrs. Dalpe looking over students' work.

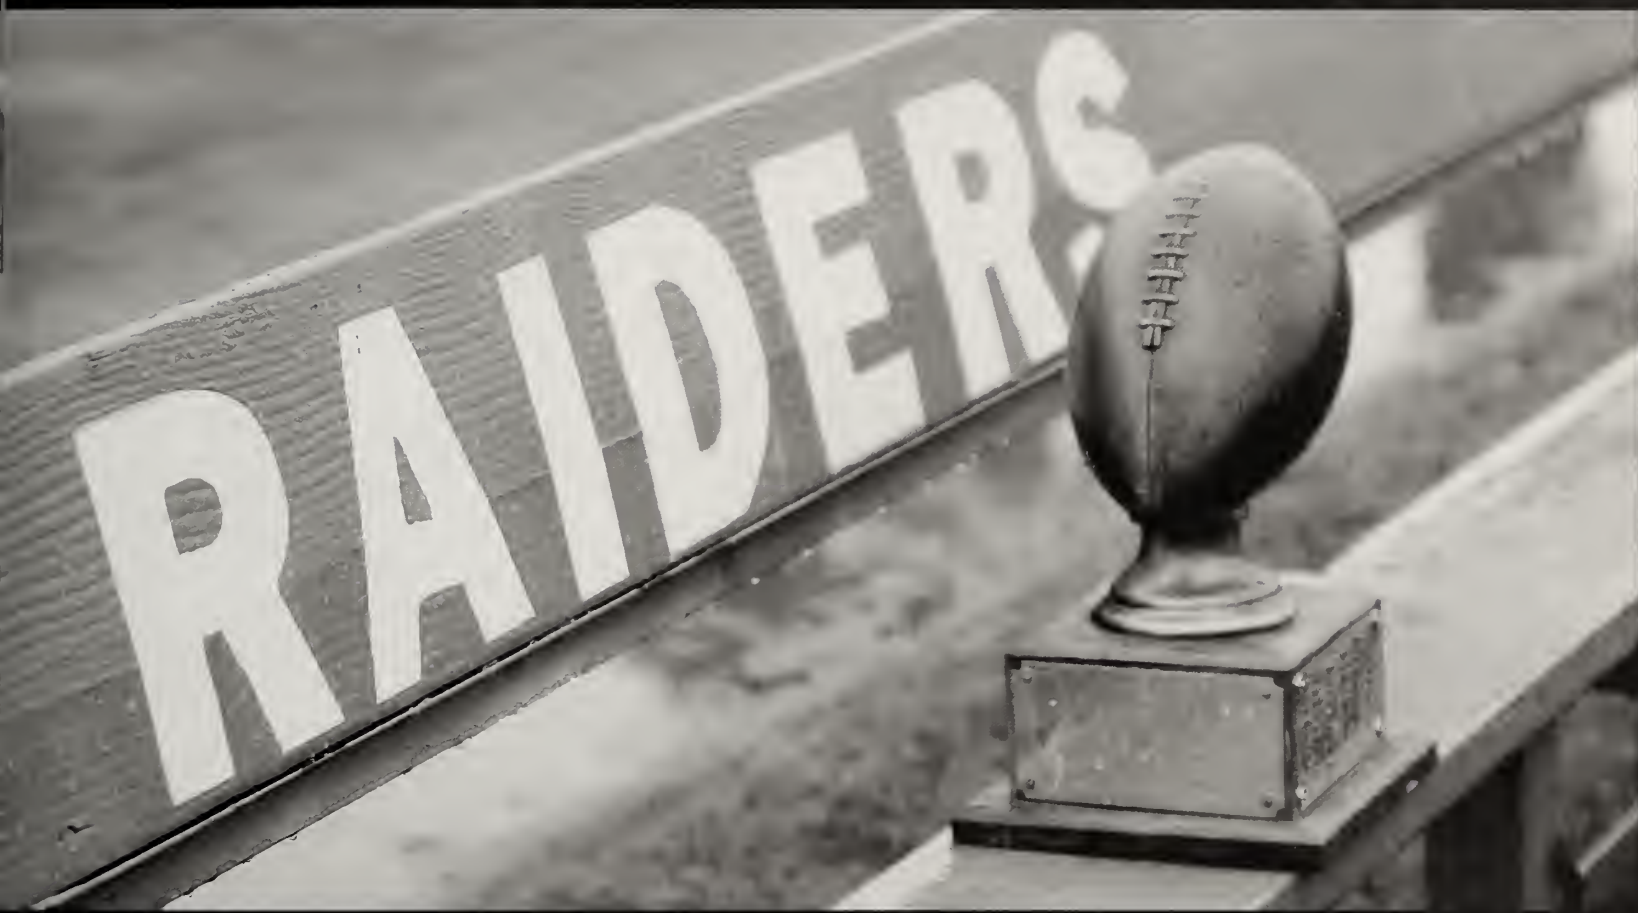

Opening worlds and changing minds. The Enfield High Language Department is responsible for countless cases of changed lives and unforgettable experiences. This department has been host to numerous exchange students from all over the world including France, China, Germany, Thailand, Spain, and more. Without these teachers we would be lost in an ever changing society. A second language is no longer learning just to say things your parents cannot understand but it is now a necessity in the so called "real-world", and these are people who make it possible. Language of all types effects people in so many ways and creates unforgettable memories. While a trip to France or Canada may be in some French students' future, the Connecticut State Latin Day is a sure fix for any Latin student, and any Spanish student would be thrilled to participate in the CT/Spain Partnership. No matter what you do or where you go, language will be ever present because this is the real world and the key to any door is language.

Students learning new vocabulary.

raw, gusting wind and unrelentless rain, a beautiful day for EHS football

The Raiders rebounded from a shaky start and their perseverance paid off with the most successful season in two years. The team battled to pick up their first win, and after scoring late in the fourth quarter, they beat St. Paul 13-8. Following a heart breaking loss to Plainville, the Raiders went on to win three games in a row finishing the season with a record of 4-1 at home and 4-6 overall. The streak included a dominating win against RHAM at homecoming, and on Thanksgiving the Raiders shut out Fermi 36-0, ending the season in a proud victory.

Kenny Fleck

The Raiders' Boys' soccer team was co-captained by Scott Desmond and Kenny Fleck, and was coached by Coach Georgetti and Fleck. With a final record of 8-6-3, the Raiders finished the season with its best win percentage in four years and finished fourth in the NCC Conference. Without the strong play of seniors such as Patrick "Shoes" Hardy, "Sneaky" Ogun Kuruka, and "Super" Seth Harmon, the season would have been long and hard. The players not only played with great individual style, but they were able to truly come together on the field. A true team indeed.

Field Hockey

the Enfield High field hockey team had a very successful season in one of the toughest conferences in the state. Their final record of 10-0 does not even begin to reveal the triumphs of each player on the team. After bonding their annual trip to Maine, girls improved throughout the season, eventually making it to the quarterfinals of the Class S State Tournament. The team's talent did not go unrecognized, as Nancy Yousseff, Katie Littlejohn, and Jessica Lance received Conference honors, with Lance and Littlejohn being named All-State as well. With so many Varsity players returning next year with hearts and big skills, the team is looking forward to another excellent season.

can be said without a doubt, at our 2006 season was one of the best the Enfield High Boys' Volleyball has had in many years, perhaps the best record. Through hard work, determination, and the combined effort of our team we were able to carve out a winning season and enter the first round of state finals. For being a relatively inexperienced Varsity team, with only one returning varsity player, we were able to come together and, win or lose, remain united. We grew from our experiences last season, and look forward to the next.

Girls' Swimming

The swim team had a very successful year. Each swimmer improved their times significantly and they all grew as a team. Led by captains Kristen Fitzsimmons from Enfield and Jen Dufraine from Somers, four swimmers competed in individual events at the Nutmeg League Championships and every girl on the team qualified to swim in at least one relay event. One swimmer even qualified for the Class LL Swimming Championships. Five swimmers competed in the different relay events at the meets, including Colleen Nelson and Kristen Fitzsimmons from Enfield. The team had no seniors this year and is looking forward to a great season next fall.

Dance Team had an awesome year. The incoming freshmen made up about half the team, rounding out the team to twenty. The girls will be saying goodbye to only four seniors, all of whom participated in dance all four years of high school. This year's wrestling team was the best EHS has seen in quite a few years. Led by Captains Bill Bedrin and Josh Chambers, the small but powerful team won three matches and placed fourth at the NCCC tournament. Josh Chambers was the champion at three tournaments this year and is expected to do well in the states. Bill Bedrin, Ryan Peterson, Ben Rochette, Nick Meunier, and Sami Youssef have also placed in tournaments this year. DECA

The Distributive Education Clubs of America is an organization whose purpose is to encourage occupational intelligence, social comprehension, civic duty, and leadership development. Every member of DECA possesses these admirable traits. The Enfield High School chapter takes part in the annual state competition. DECA's focus is not solely on business. Known for giving back to the community, the group actively participates in a number of public service activities. These include food collections, holiday card distributions, and fundraising to benefit the Muscular Dystrophy Association.

FBLA

The Future Business Leaders of America are looking for more participants! FBLA is a professional student organization that is available to all students that participate in business education classes. It offers a chance for students to develop skills they need to succeed in the cutting edge world of business. Focusing on leadership, social skills, and service, FBLA students participate in conferences, learn about modern business practices, and have some fun along the way. With so much to offer, it is no wonder FBLA is growing each year with more students joining each year!

Student Council

Student Council must again be honored for helping bring spirit to Enfield High School. With the help of a gorgeous night, they organized the annual bonfire which helped launch a successful Homecoming Dance. This was followed by a very diverse and imaginative set of floats for the Homecoming Parade. It didn't stop there, as the Student Council went straight to work on the Pep Rally. This year, the Student Council is taking on the Relay for Life hoping to find a balance between community service, school spirit and fun. Go Enfield High!

Drama

The Drama Club, aka the EHS Lamplighters, at Enfield High is one of the largest clubs in the school with more than fifty active members. The club provides an outlet for the students who wish to learn more about theater craft whether performing on the stage or handling technical duties backstage. This year the Lamplighters produced "The Odd Couple" in the fall, "The Curse of the Hopeless Diamond" for the Dinner/Mystery Theatre in January, and "The Last Gladiator" for the Children's Theatre. They are currently rehearsing the musical "Footloose" for the Spring production. In addition, this year the Lamplighters took over the Potpourri Craft Show from the Band as their major fund raiser and had a very successful show.

Thespian Honor Society

The EHS Thespian Troupe #5842 is chartered by the International Thespian Society as the honor society for Theatre Arts at Enfield High. A member must have 100 hours work in the EHS Lamplighters prior to being inducted. New members are inducted each spring. Members can continue to earn additional honors for every 100 hours of work that they complete within the theater or with other outside activities related to it. The Thespian Society is responsible for the Dinner/Mystery Theatre and the Children's Theatre productions each winter. In addition the Society is now in charge of the EHS Walk of Fame which was restarted this past fall with the creation of an online website. The Walk of Fame will eventually provide funds again for the Thespians, other groups within the school and for scholarships.

Mr. Democracy's New Patriotic Song Band

Mr. Democracy's New Patriotic Song Band spread the good word at a number of events during the course of the school year. For the fourth consecutive year, the band performed at the Big E and for the second straight year they performed at the Town of Enfield's 9/11 commemoration as well as Family Day. The band also performed for Western Massachusetts' reading teachers in Holyoke, Massachusetts. The band, in its Rico Bravo incarnation, also performed at Enfield High's December holiday concert. Be sure to look for the band and visit Mr. Democracy's colonial classroom featured on cable access television.

Television Production Club

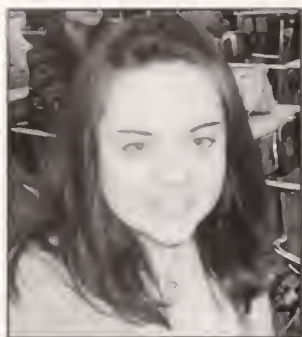

In conjunction with the Cox Communications, the Television Production team produces shows that air on local cable access television, Channel 15. The students are trained in all aspects of production, ranging from initial scripting to final editing. Topics for the shows center on events at Enfield High School and the school's involvement in the local community.

Yearbook

"You've Got a Friend in Me"

"Each friend represents a world in us, a world possibly not born until they arrive and it is only by this meeting that a new world is born." - Anais Nin

Our Yearbook Club met early in September to discuss and plan for the upcoming yearbook. We brainstormed, discussed and sometimes argued over what we wanted the yearbook to capture about EHS. It was not until many meetings later that we arrived at an answer. At first we chose "The 80's" but as we talked it over, we realized what is most important to this class and agreed on the theme of "friendship". The yearbook had a bumpy road to start off with, but in the end, as friends often do, we all learned to work together. The students who stuck around did an amazing job. Backed by the leadership of the three senior co-editors, Jackie Bosco, Kari West and Ben Levassuar, the team worked together to produce a quality yearbook. They sat and organized, labeled, typed up quotes, and finally put all of the finished pages together. Throughout many long days and late nights, we are grateful to the dedicated staff who helped us meet our deadlines. Brooke LaRoche and Amanda Wages did a great job on the Faculty and Department pages. Christina Hallak and senior Grace Roman did an amazing job helping gather photos and offering a hand when ever needed. We also had some help from another senior, Rob "Babo" Russo who walked around school, and the pep rally and took pictures of seniors and underclassmen. The yeabook was edited by English teacher Mrs. Bouchard, who spent many hours correcting grammar and making sentences sound just right. Our head advisor, Ms. Darin, was amazing, and without her, there would be no yearbook. She sat beside us with patience, as we learned a new program and worked tirelessly to help us meet deadlines. Jackie, Kari and Ben hope that you all enjoy the yearbook as our goal was to represent all students, not just one group, so that the yearbook is something we all can look back at and enjoy for years to come. After all, that's what friends are for.

National Honor Society

The Edward J. Boland Chapter

This year Mrs. Amy Jensen and Mr. John Gorborino were very pleased to have inducted twenty three new members in the Edward J. Boland Chapter. In order for a student to become a member of this Chapter they have to demonstrate four qualities; leadership, community service, character, and scholarship. The officers of the Chapter this year are Emma Meers as President, Scott Desmond as Vice President, Alyssa Ivanoff as Treasurer, and Kaitlyn Russell as Secretary. The new members were inducted into the National Honor Society on November 2006. This was a special night for the inductees and their families as all their hard work and good deeds paid off.

Spanish Honor Society

Bueno! Enfield High is home to the Miguel Delibes Chapter of the Sociedad Honoraria Hispanica, or Spanish Honor Society. Established in 2003, this chapter is named after a renowned author in our sister city of Valladolid, Spain. Students must be in Spanish 4 or higher to be considered for induction in this prestigious club.

Latin Club

Latin club is for lovers of language and those that love to get involved in numerous activities in and out of school. The Latin club students participate in the Connecticut State Latin Day in Cheshire, CT where they can choose from numerous activities including making beadwork necklaces, learning calligraphy, and creating mosaic. The Latin club also attends the openings of new movies that have a connection with Latin. In school, they get to go to the food labs and make yummy Roman dishes. And they say Latin is dead!

As Schools Match Wits

As Schools Match Wits is a trivia-based quiz show in which Enfield High students compete on television. This year, the team, which consists of four players and an alternate, competed against Chicopee High School. EHS held the lead until the last lighting round where they were defeated 125-140. This year's bright competitors were Mary Chenard, Arianne Dilzer, Kristen Fitzsimons, and Patrick Thompson, with Bill Dague as the alternate. The team also competes in the NCCC Academic Bowl.

Math Team

The EHS Math Team made a come back this year with the addition of many new members. Strong performances at the competitions by upperclassmen and underclassmen alike provided the team with a successful year, and led them to out-mathing their cross town rival, Fermi. The new Math Team shirts, as well as a new slogan "Square This!", helped in revitalizing enthusiasm among club members. The Math Team had an impressive year, and has high hopes of continuing on next year.

CT - Spain Partnership

The CT SPAIN Partnership Program is now in its fourth year, with our sister school I.E.S. Ribera de Castilla, in Valladolid, Spain. Students studying Spanish 4, 5, or 6 are eligible to participate in this program. In the fall, Enfield High School families hosted 20 Spanish students and their two teachers for three weeks. These guest students attended five classes and also went on short excursions or participated in cultural workshops run by EHS teachers. On Saturdays they travelled to Boston, NY, Newport, Salem, Plymouth, and other cultural sites.

Our students will go to Spain in April, attend classes at I.E.S. Ribera de Castilla, and live with Spanish families for three weeks, doing the same kinds of activities, such as visiting Madrid, Burgos, Salamanca, Segovia, Toledo, Sevilla, and Portugal. Some of the special classes given were ceramics, flamenco and jota dancing, and workshops on art, math, and historical site photo scavenger hunts. The Renault factory and meeting the mayor of Valladolid are highlights, as well as sports competitions and games. With the internet and IM, students can maintain contact with their friends over the years, and numerous students who have already graduated have returned to visit their Spanish families. The opportunity to live with another family and travel to another country has been an exciting adventure. Eighty Spanish students have lived in Enfield and sixty students from Enfield have lived in Valladolid. The Spanish government helps to subsidize their trips, but EHS students have had to do all kinds of fundraisers to help pay for the trip. One of the most memorable was collecting bottles and cans! The team building activities, as well as the exchange itself, have proven to be an unforgettable experience.

The Community Service Club is a group of EHS Students who meet once a month to plan and perform community service activities. This year, students assisted with a Math-A-Thon to benefit St. Jude's Children's Research Hospital in partnership with Parkman School fourth graders. Also, students planned a Spring Fling Dance for residents at St. Joseph's, stuffed Easter baskets and eggs for teens at Connecticut Children's Place and had a Walk-A-Thon to benefit Enfield Loaves and Fishes in addition to many other service activities. The year concluded with high school students assisting at Field Days for different elementary schools.

Art Club

The Art Club is a group of talented students who meet every Thursday after school to create works of art for display at EHS. It is their mission to visually enhance the school environment by adding warmth and culture through art. This year the Art Club helped in the painting of biome murals for the Science Department's Children's Museum. They also painted the Jazz Band's music stands. Several art "exhibits" were displayed around the school and the club hopes to complete a permanent mural for the cafeteria by the end of the year.

Library Aids

The Library Aides work hard all year while having a good time. Under the direction of Mrs. Haze and Ms. Ellis, these bibliophiles maintain and update periodicals as well as check students in for study hall. The aides also assist with projects to help make the library more functional and enjoyable. One such pursuit involved moving oversized books to a new section, to make the stacks appear more uniform. Senior Library aids include Amanda Viets, Amanda Kroczewski, and Grace Roman. Other Library Aides included Nick Zeni, Jeremy and Zachary Bui, David Caldon and Bill Dague.

Morning Announcers

Morning Announcers Joey Lozada and Emma Meers greet Enfield High School each day with a warm hello. They recite the Pledge of Allegiance, imprint Enfield High's mission statement into students' minds, inform the EHS community of upcoming weekly events and tempt everyone with the daily lunch schedule.

Emma Meers, Joey Lazoda

Literary Magazine

The Literary magazine is the armadillo of school activities - a fascinating entity that does not get the attention it deserves. These talented writers and artists work hard every year to produce a quality collection of stories, poems and artwork. We commend their efforts to awaken the creative animal inside all of us.

Gabi Nichols, Mr McMahon, Max Harris, Shari Perez, Jess Lance

Larping

LARP is an acronym for Life Action Role Playing. The club focuses on medieval fantasy, combining combat, magic and costuming. Every Wednesday they meet to prepare their foam weapons for battle. Using the Realms Combat System, they organize a world other than their own, a world filled with fantasy, mystical creatures, and often, hostility. Fake hostility, of course. The Larping club idea caught on fast. What came from the dream of one teenage boy became one of the most powerful clubs in the school, one that soon shall tip the balance of the world, and save the world from the evil Sea Mage Atuna. Bring your imagination, be there, and be square.

Mat Ball

The 2007 Matball Championship game was one for the ages. Both squads played excellent offense and defense. Oguz Karuca, Kyle Tavino, Pat Carey, Dave Simon, Tim Dyer, and Trash Can were notables in this match. With one out to go and Chuck Norris winning by six runs, Scott Desmond caught the ball off the wall for the final out. The repeat was complete. They Dynasty had expanded. Chuck Norris was a back-to-back champion.

Model United Nations

The Model UN Club enjoyed another successful year, representing Poland and Denmark. EHS is proud of our very own Ryan Skukowski who was a co-captain, and most impressively, the President of the Model United Nations Assembly for the state of Connecticut in January. Along with Ryan, senior leadership was provided by his fellow co-captains Bryan Kelley and Sean Michael Hughes. All were expertly guided by Mr. Sean Patrick Crane and Mr. David Alexander.

Powder Puff

WE GOT THE POWER!

"I was very proud of the girls. In the end, they really came through and worked as a team. They didn't care if they didn't get equal playing time, they wanted to win. In the end, WE BEAT YOU RAMOS!" - Coach Gaucher

"My cheerleaders won the trophy for best looking cheerleaders with the most spirit! We invented some new cheers and some of the hottest moves ever seen! RAMOS LOST!" - Mr. Barnes

October 22, 2006 was the marking of a new tradition for the Enfield High senior and junior girls. With the help of Mrs. Stone, a senior vs. junior Powder Puff Football game happened. The Chics, also known as the senior girls, led an outstanding victory due to the training of their dedicated coach, Coach "Gottcha Now, Ramos" Gaucher. The Ruff Raiders, known as the juniors, played hard and had a lead on the Chics until half time, when the Chics made a comeback. The Chics came up with a game plan and stuck to it - Don't let Christy "the Fijinator" Figakowski and Ali Grigley get a chance to score. By working together and getting over their differences the Chics proved they could win. They had great support from the male cheerleaders led by Mr. Barnes. The male cheerleaders Sexual Chocolate, including Alex Anderson, Pat Sullivan and Pat Hardy did an amazing pyramid with the rest of their team. Together all the seniors worked together and landed a victory, a trophy, and all the bragging rights they could have ever wished for. At the end, when they called out the winner, the senior girls felt like a team as they all hugged, jumped and down and chanted "Na na na na, na na na na. Hey, hey hey, goodbye!" The Chics will forever live as the first ever to win a Powder Puff game at Enfield High.

Another year of the Ski/Snowboard Club ripping some killer runs at Ski Sundown has passed by. It was full of some beautiful days and then a couple of bitter cold days. The students from Enfield High looked forward to Wednesdays all winter for one reason, and it was not the chemistry test or math quiz they had. It was to hit the slopes and enjoy the afternoon with their friends. While most students are thrilled with the arrival of spring, the ski club is already looking ahead to the next snowfall!

Children's Museum

Science Fair

"It was great to see that our hard work paid off. The smiles on the children's faces showed us that they were having a fun time."

- Kaleigh Ryalls

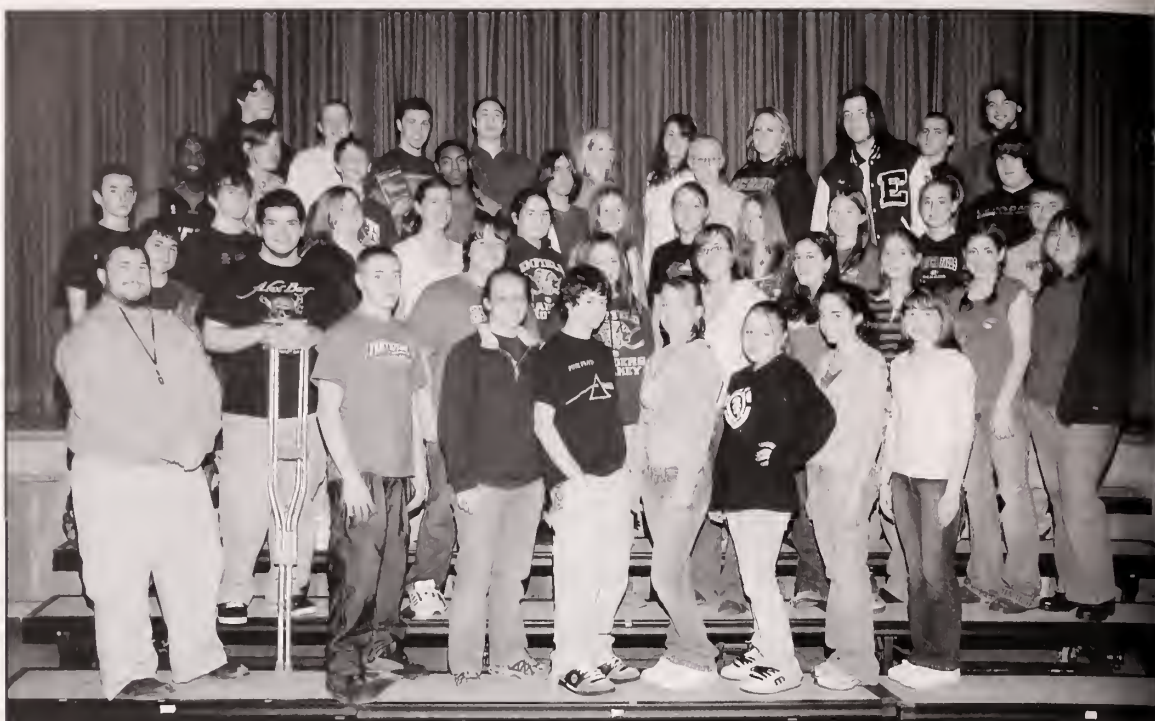

The Children's Museum Science Fair is in its fourth year. It is a great collaboration between Math, Science, History, World Languages, Tech Ed, Art, and Consumer Science. Over seventy students at Enfield High School volunteered this year to build and research each exhibit. This educational and imaginative fair pulled in over one thousand children in its two day run.

Concert Band

For the past four years, the Concert Marching band has been a memorable experience. From our trip to Washington, DC, our numerous concerts, festivals and field shows, around every corner band has shown us new challenges in a world around us." - Ashley Marco, and Liz Wilhelmsen

Orchestra

Orchestra is a class that continues to grow every year. More and more people want to become involved with the program because it is not only about music. The class is about harmonizing musical talent and interest and coming out with the knowledge and experience to be a great musician. Being the only full orchestra in town gives our program room to set a precedent for up and coming ensembles. Our program is doing something no one else around is, we're taking the first steps to a better, more advanced musical performance ensemble.

Jazz Combo A

Jazz A Combo is the top Jazz group at Enfield High. It is a standard combo, consisting of a single trumpet, alto saxophone, tenor saxophone, piano, guitar, bass, and drum player. The group plays at many festivals and has won several prestigious awards. The expectations are high, but the members always rise to the occasion to meet these standards.

Jazz Ensemble A

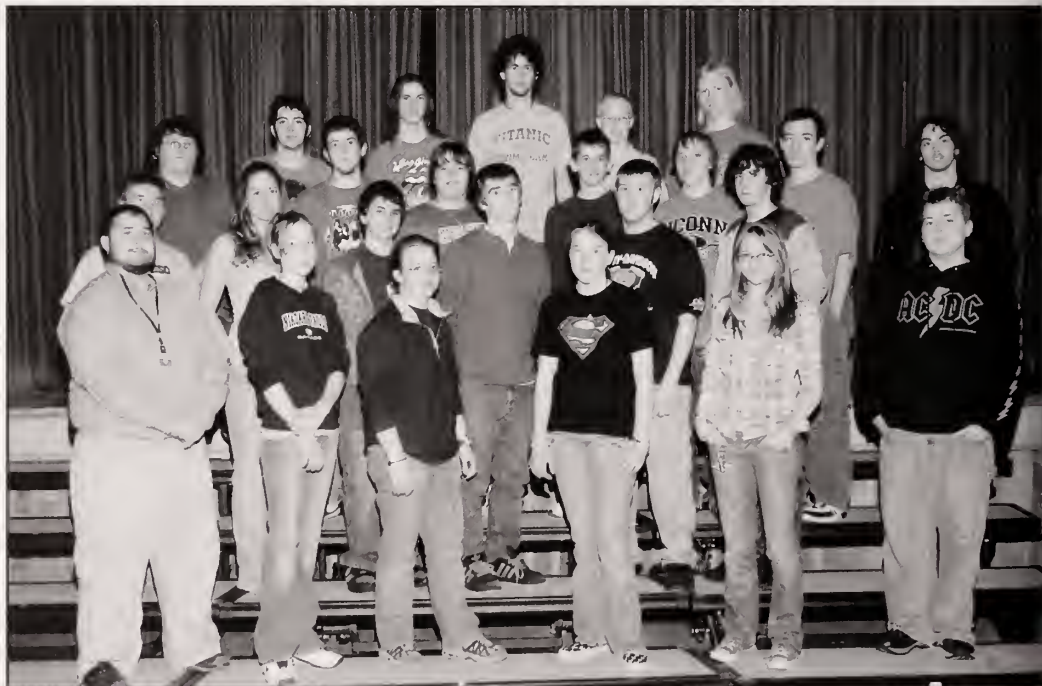

The Jazz Ensemble A is a unique group of talented musicians. From the Berkeley Jazz Festival to the Elementary School tours, we always enjoy playing the different styles of Jazz. This year, we are playing very enjoyable songs ranging from Buddy Riches "Mercy, Mercy, Mercy", to Dizzy Galespies "A Night in Tunisisa." Always volunteering their time after school on Wednesdays, they have worked hard and have given their weekends to various concerts, festivals, and events. Composed of mainly seniors, the members will greatly miss working with one another and will greatly miss, of course, playing Jazz.

Encore

A choral group newly formed after the choral group "Voices Inc." ended last spring. They performed two concerts, one in the winter, and one in the spring.

Chamber Singers

Chamber Singers is an advanced mixed voice ensemble that meets after school. Students audition to be part of the small ensemble. In the fall of 2006, students from Enfield High School and Enrico Fermi High School combine to perform for the winter concerts. All pieces were performed a cappella in several parts.

Mrs. Weed, Chelsey Dombroski, Joseph Lozada, Rosemary Peterson

Show Choir

Encore is a co-ed chorus open to all students with any level of experience. The mixed chorus sings many different genres of music including contemporary, Classical, Multicultural, Broadway, Pop, and Gospel. Encore performs several times throughout the year for the school and community.

Man I don't know, where the time goes
But it sure goes fast, just like that.
Had no excuses for the things that we'd done.

To the graduating Class of 2007:

Since September, we agreed and planned to have the best yearbook in years and to bring our senior class together. Every yearbook has been the same kids over and over every year. As a club, we agreed we wanted to change it. We all decided the theme should be "friendship" because it has taken us each 17-18 years of life and four years of all attending the same high school together to realize that we are all friends. We came together and decided the best way to capture this would be through candid photos of just our class. Jackie spent numerous hours going to classrooms, and all three lunches to take many pictures of our class. We want you to look back and remember the good times we all had together. Ben did a great job with the Sports Section. He went through thousands of team pictures and gathered all the write ups to make his section complete. Jackie was the head of the Senior Section, superlatives and the candid pages. With help from the rest of the club she got them all done under the pressure of deadlines. Kari was great at organizing the Senior Casual Section, and putting it all together. All three of us worked very hard to make this book one of the best. We had three positive seniors who took charge and led the whole club into doing exactly what was planned. We had some great help from Mrs. Bouchard who edited and revised what we wrote. Without the help of Mrs. Bouchard and Miss Darin, this book would not have been completed. Miss Darin spent countless hours helping us, making sure everything fit, and praising us for getting work done. Thank you Miss Darin for all of the help you gave us. Also, we would like to thank the Senior Class for being great with getting pictures snapped of them all day long. We hope that you all enjoy the yearbook and appreciate it as much as we do.

Congratulations and good luck Class of 2007! We finally made it!

Sincerely, the Senior Class Editors,
Jackie Bosco, Kari West and Ben Levasseur

Our Crystal

It only seems like yesterday
you were so beautiful and small.
And now you're graduating
high school.
When did you grow so tall?
The toddler - the teenager
We watched you as you grew.
A young girl playing softball
A champion through and through
You've worked hard and played hard
And now the time has come.
To accept your diploma
For a job well done
As you receive your
honored award,
Remember these words as you go
We've been proud of you
since you were born.
And just wanted you to know!!!!

Congratulations
With all our Love
Mom & Dad
Nana H.

Keith,
It sure has been fun
watching you. We are so
proud of you!
Love,
Mom, Dad, Kevin & John

Emma,
You've always worked hard
and it's shown in all that
you do. We are so proud of
you and your many
accomplishments.
Remember that each day is
a gift.
Congratulations!
Love, Mom, Dad, Andy and
Alyssa

Look out world, they grew up!
Congratulations Kevin, Nick and Ben.
Love, The Dynia and Levasseur Families

Liz,
Congratulations! We are so proud of you.
Love you,
Mom, Dad, Ben & Becky

Congratulations Nicole,
We are so proud of you.
May all your dreams come true.
Love,
Mom, Dad & Phil

Megan,
We could not be more
proud of you and we
love you more than
words can say!
All our Love,
Mom and Dad

Can I have your room
when you're in
college?
Love, Zac

Graduation is just the start of your education.

Congratulations, graduate. You're in the real world now. Filled with big choices and heavy-duty decisions. You're about to discover that learning is a lifetime pursuit—whether it occurs in college, on the job, or through life experience.

So start out right. Make a financial decision you can live with for a lifetime. If you are not yet an HSFCU member, become one today. You and your family* are all eligible to join. And we're right there in your school. Then you can handle what lies ahead, because we'll be there to back you up—with inexpensive loans, better ways to save, more convenient financial services.

So make HSFCU membership the graduation gift you give yourself. And take your next step with greater confidence.
